Village Recorder Studio B (Santa Monica, CA); November 14, 1973

14] *Wedding Song*

Village Recorder Studio B (Santa Monica, CA); November 10, 1973

15] Nobody 'Cept You,

Village Recorder Studio B (Santa Monica, CA); November 5, 1973

NOTE: Not recommended. Essentially a slightly expanded pirate edition of the original release; officially released tracks shown in italics and drawn from Planet Waves unless otherwise noted. Resequenced from the official release to match an unreliable session chronology; the standard cover slips list incorrect recording dates for several tracks. Excellent soundboard stereo.
