

This is the Police from a syndicated radio program called Studio Jam. Even though it says Studio Jam, it is a live recording from a venue (usually Chicago where the show was based out of). This show was at the Park West Theater in Chicago on May 25th, 1979. I transferred the reel to reel straight to cdr. The lineage would look like this:

PRE-FM Reel>CDR>WAV>CDWAV>mastercdr>wav>FLAC

The reel is 10" 7.5 iPS 1/2 track. It was transferred on a Tascam BR-20T to a Sony CDR-W33 stand alone professional cd recorder. Transferred to wav and spit via cdwav.
