

# Captain Beefheart & the Magic Band Bat Chain Puller (Unreleased Album)

Skirting the grey area, here. A few explanations:

Regarding Dust-Sucker: the thing is basically a bootleg. Yes, I know it's on Amazon, and yes, I know it has a UPC code, but nobody's getting paid for it. Again: bootleg. Consequently, it should have some (free!) competition.

Besides, this sounds much better.

The source for this bootleg is a second-gen cassette tape of the actual promo cassette. It's not perfect, but it's one of the best sources out there. The version used for the "Bat Chain Puller/Safe as Milk" is of comparable source quality, but has a lot of noise-reduction applied. This version is noise-reduction free.

The guy who transferred this also made a remastered version, but I prefer the EQ here. Enjoy.

Captain Beefheart Bat Chain Puller

- 1) Bat Chain Puller
- 2) Seam Crooked Sam
- 3) Harry Irene
- 4) Poop Hatch
- 5) Flavor Bud Living
- 6) Brickbats
- 7) Floppy Boot Stomp
- 8) A Carrot is as Close as a Rabbit Gets to a Diamond
