

# Chicago

Paris  
1973

This is a rare show that I've only seen on one traders list and I had to twist his arm to get it a few years ago. Unfortunately it is not a perfect broadcast with intermittent noise throughout. However, it still is quite enjoyable and is the original line-up with the great Terry Kath.

Chicago Paris 1973

- 1 French Announcer
- 2 Devil's Sweet
- 3 Something in This City Changes People / Hollywood
- 4 Just You 'n Me
- 5 Beginnings
- 6 Aire
- 7 Feelin' Stronger Every Day
- 8 A Hit By Varese  
(interesting version with organ solo...cut during solo...too bad)
